Washington, DC – Congressman Jerry McNerney announced today that Camp Parks Reserve Forces Training Area (RFTA) has received over \$8 million in additional funding.

The funds will be used for two projects, both of which will improve the lives of soldiers stationed at Camp Parks.

“At a time when increasing demands are being placed on our troops, we need to make sure their housing and living conditions are up to par,” McNerney said.

The funds made available to Camp Parks Reserve Forces Training Area were allocated from the stimulus package.
